FORT LAUDERDALE, Fla. – Kenworth Truck Company has named Kenworth of South Florida as a new dealer serving the south Florida region that includes the counties surrounding Miami, Fort Lauderdale, West Palm Beach, Fort Pierce, Vero, Okeechobee, Naples and the Florida Keys.

A member of Kenworth's dealer network of nearly 300 locations in the United States and Canada, Kenworth of South Florida has purchased the assets of Broward Truck and Equipment in Fort Lauderdale with plans by dealer owners Todd Hays and Phil Mitchell to expand customer service in the area.

"Kenworth of South Florida offers the full line of premium Kenworth heavy and medium duty trucks with special focus on vocational, on-highway and medium duty fleets and operators involved in the region's dynamic growth," said Todd Hays, Kenworth of South Florida president. "We have a strong commitment to customer service and one of the first actions we took was to extend the operating hours of the Fort Lauderdale facility to enhance customer support."
